State Medallion: Ironwood Lady Niners

The four play dates for the 2026-2027 State Medallion are Dec 9, 2026, Jan 6, 2027, Jan 27, 2027, Feb 17, 2027. These are qualifying rounds for the annual State Medallion tournament to be played in January 2028. Those Oakwood Lady Niners who signed up by 4:00pm Dec 1, 2026 are eligible to participate. All participants must play from the yellow tees. You don't have to play all four of the play dates but your odds of winning are better if you do. You must play a minimum of two of the four dates. Your playing Handicap at the time each round is played will be used. If you typically play from the silver tees, your playing handicap will be adjusted to the yellow tees.

AGA tournament rules will apply. You may have no more than 14 clubs in your golf bag. You may not ask or give information/advice to your fellow golfers. You may use a GPS.

Please let me know if you have any questions.
